FOR IMMEDIATE RELEASE:

April 15 and tax time is just around the corner. Your local library can help with finding information.

You can use the public computers available at your library to access, via the Internet, both the Internal Revenue Service (IRS) and Oregon Department of Revenue websites. While the library staff can't offer tax advice nor tell you what forms you should use, all 12 city libraries in Umatilla County can help you find 2013 tax information.

Contact your local library for additional details.

This information brought to you by the Umatilla County Special Library District. Formed in 1986 and governed by a five-member voter-elected Board of Directors, the Umatilla County Special Library District (UCSLD) is an independent taxing district funded by taxpayer dollars. UCSLD's mission is to support the development of public libraries in Umatilla County to provide services, programs, and continuing educational opportunities to individuals of all ages, thereby strengthening their communities through individual, family, economic, and community development.

Dan Feil, District Administrative Assistant at 541-276-6449, or dan@ucsld.org.
