**LIBRARY DISTRICT ANNOUNCES KINDLE WINNER**

The Umatilla County Special Library District (UCSLD) was pleased to meet Carol Kitchin of Stanfield and present her with a new Kindle Fire. Carol's lucky winning entry was selected from more than seven hundred drawing entries received during this year's Umatilla County Fair. Susan was very excited to receive the Kindle stating "oh, my goodness, I jumped all over" when she learned of winning. The drawing was part of the Library District's exhibit of public library services available throughout the county. The Kindle is one of many electronic devices that can download books using the Library2Go program provide by UCSLD and your local library. Carol takes advantage of her library card by regularly using the Stanfield, Hermiston, and Pendleton Libraries.

UCSLD's mission is to support the development of public libraries in Umatilla County to provide services, programs, and continuing educational opportunities to individuals of all ages, thereby strengthening their communities through individual, family, economic, and community development.
