Annual Library Service Plan Outline
Fiscal Year 2015-16

Friends/Volunteer Program:

Goals: Goals are to supplement and support the library in delivering the best services and programs to the community.

Outcomes: Outcomes show when the volunteers contribute time and energy to all programs and services, adding input wherever needed.

Long term goals: Take on the jobs to free the librarian for other tasks and to raise funds for the betterment of the library.

Effective Library Board:

Goals: goal is to develop and maintain an active and productive board.

Outcome: when the librarian makes a report to the board monthly and the board has an interest in library happenings.

Long Term Goals: are shown when the board takes an interest in and supports the librarians' decisions along with a vital commitment to the library and all its happenings.

Community Relations Program:

Goal: to establish the library as an intrinsic part of the library.

Outcome: when there is an increased awareness of information

in the monthly city newsletter, the WEB site and any PR materials available for ongoing activities.

Long Term Goals: happen when the community is aware of any or all programs that benefit them or the library. Parents are informed with information sent home, newsletter and handouts and are asked to be involved in any library events (Books are Fun, silent auction, pie social, book sales, etc).
