

What's happening at Umatilla County public libraries?

By Erin McCusker

For Go! Magazine The holiday season of 2021 has arrived! Your libraries in the Umatilla County Special Library District have much to offer you and your family.

If you are staying close to home for the holidays to avoid the traffic and slippery roads, your local library is the place to be. Not only are there books, DVDs and other items to check out for entertaining all ages during the holiday break — there also are many live events and take-home craft kits.

There is something to get everyone in the holiday spirit at a library near you. Below are many opportunities for holiday fun — all events are at the library unless otherwise specified.
