

Ukiah Library

2020/2021

Library Service Plan

The goals for Ukiah Library this year where to get more people coming into the library. By having the Library open until 7 p.m. on Thursday nights So that people who work late would be able to come in, Being open during the Day, During COVID, so that Adults could use the Internet, Having a Summer reading program. Which happened to also be Story time where I read a book to the kids and then had Library where they could check out books or videos. We also had Art day Where Senior Students come in and help the kids do A Art project. COVID did not help us this year, Book and Movie Check out was Low. We did have library day where. I only had one or two kids. And then we had other activities around town which took the kids from the library, but for the most part We had a Great Summer. With the help of UCSLD support staff, Erin McCusker, Dea Nowell and Beth Longwell, who where always there to answer my

questions and to help me to learn the SAGE system, I could not have done it without them. A special Thank you to Dea who cataloged over a hundred books and Movies for me. UCSLD is always there for Directors to answer our questions or just to listen to us, to try and help with Other things that we can do to get people to use our library's. Thank you Kari Keen
