

UMATILLA PUBLIC LIBRARY

ANNUAL LIBRARY SERVICE PLAN REVIEW FY 2020-2021 2020-2021
Library Vision
for the
Future

► To continue to provide resources and programs to motivate and encourage patrons of all ages to continue reading, growing, and learning no matter what age!

Goal 1: Library Layout Change

- Change library layout to create an inviting space for kids, teens, and adults.
- Create room for "in-house programming"

- Change layout to create a designated space for kids and teens.
- New paint
- Purchase new computers, computer tables, café table and chairs.
- Install projector and projector screen in teen zone
- Purchase all new equipment for kid's zone.
- Purchase 2 AWE Early Literacy Computer Stations
- Install new mural
- Change orientation of library bookcases

Kids Zone, Teen Zone, Layout

Goal 2: Community Outreach

Getting to the library is difficult for some of our patrons because of lack of transportation or because of health issues, so we wanted to focus on our community outreach program, the pop-up library.

- Purchase a library vehicle
- Provide services patrons would normally get in a library setting
- ▶ Teach patrons how to access our online library of books
- Have monthly programs at different locations
- Implement book delivery
- Sign-up out of reach patrons with library cards to access our online books

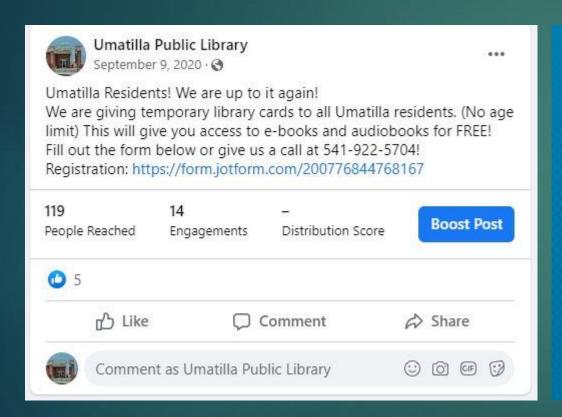

A look at our outreach program

New Vehicle

Provided temporary Library Cards

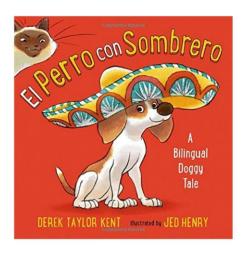

How to check out digital books and audiobooks using Overdrive!

- 1. Download and Install the OverDrive App from your app store
- 2. Open the app and click on "Sign-Up"
- 3. Click on "Sign-up Using Library Card"
- 4. Enter and click on Umatilla Public Library
- 5. Select "Leo Listens Libraries of Eastern Oregon" from the list of libraries
- 6. Enter your library card number and password (hint: password is the last 4 digits of your phone #)
- 7. Search for titles and check out!

StoryWalk® at Hash Park

Welcome to StoryWalk® At Hash Park

StoryWalk® is a fun, educational activity for all ages. It combines physical activity with books to help build children's interest in reading while encouraging healthy activity.

Every month, the Library will display a different book. You can walk the trail and maybe even find some fun surprises at the end!

StoryWalk® was made possible by the City of Umatilla and is in collaboration with Umatilla's Parks and Rec Department.

In April, with the help of the City of Umatilla, we placed 20 permanent displays at a walking trail at Hash Park.

We use two StoryWalk ® displays to update the community on events and programs for the month. We also have one with a how-to tutorial on accessing Library2Go.

This has been such a great way to reach out to our community in McNary.

"The StoryWalk® Project was created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Kellogg Hubard Library.

Storywalk® is a registered service mark owned by Ms. Ferguson."

Goal 3: Encourage Early Literacy

▶ To provide an environment where parents can take their children to explore early literacy and provide parents with the resources needed to help their children flourish in early literacy.

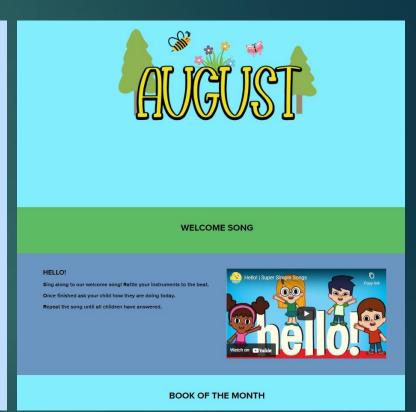

- Create an inviting space for parents and children
- Have weekly story times and giveaways to encourage a lifelong love of reading and learning
- Purchase 2 AWE Early Literacy Computers
- ▶ Host themed story times to increase participation
- Create a newsletter with up-to-date information on early literacy

Kids Zone, Little Readers Program, Emailed Newsletters

Goal 4: Teen Outreach

To create a feeling of autonomy in decision making, planning and in programs

- ▶ Start a Teen Council
- ► Follow through with their requests/suggestions (as best we can in an appropriate manner)
- Meet with Teen Council to discuss future plans
- Create new programming

A look at Teen Outreach

Teen Programs

Although our biggest goal for teen outreach was to create a Teen Council, complications surrounding COVID-19 has made it difficult.

We did start a new program, "Teen Art Night". We really wanted to provide autonomy and a space where teens can come and express themselves through art. We provided an instructor for those who wanted to follow instructions, but we also allowed them the freedom to use any materials or inspirations they got online.

Goal 4: Adult Outreach

Create a space where patrons of our community can feel comfortable, safe, and welcome.

- Continue to host events like BINGO and paint night
- Include adults in our Summer Reading Program
- Encourage participation with incentives and giveaways
- Reach out to the Latin X community

Adult Programs

Hybrid BINGO!

UMATILLA PUBLIC LIBRARY July 23rd at 6:00pm Snacks and beverages will be provided

Wine & Art

Trivia Night

Community needs that were met:

Programming

- Need for free events for community members of all ages.
- Layout Change
- Need for a teen space where they can feel safe and welcome after school.
- Need for a kid's space where parents can bring their preschool and elementary aged children to explore and learn the world of early literacy.
- Need for space for more programming for patrons of all ages.

Challenges

COVID COVID COVID

The biggest challenge this year was COVID-19. It was difficult planning programs and events not knowing if we will be closed or open. There were a lot of cancellations, but we made it work!

We took the time while we were closed to change the library layout, while providing curbside and deliveries. We also planned programs and events that were easy to change from in-person to virtual. During Summer Reading, we provided virtual programs and take-home craft kits for patrons of all ages.

Continued Support from UCSLD

Awareness

The Libraries Provide-Countywide column has been a great avenue for increasing public awareness of the district libraries and our events. We would like to see that continue.

Training

Our staff also appreciates the training opportunities that the District provides. We enjoy and look forward to the annual library in-service day training.

Sharing information

We appreciate Erin forwarding emails and keeping us up to date on things that are going on in the library world.

Thank You!
