

UCSLD Fall 2023 In-Service Evaluation Responses

<u>Timestamp</u>	<u>Which part of the In-Service was most useful to you and your work?</u>	<u>Was there anything about the In-Service you would like the committee to discontinue?</u>	<u>What is your biggest takeaway from today?</u>	<u>Is there anything you'd like the committee to do in the Spring that didn't happen today?</u>	<u>Please give the committee at least one topic you'd like to have training on, for you or your staff, at a future in-service.</u>	<u>Final Question! What is a challenge you'd like the "Innovation for Challenges" committee to tackle in the next 6 months?</u>
11/3/2023 14:02:26	Misinformation session	No	I love the format of table discussion	It was a greet meeting	Customer service	
11/3/2023 14:03:32	Misinformation session		Different perspectives and respect for them			
11/3/2023 14:03:39	Umatilla Co Health Dept presentation					
11/3/2023 14:04:02	Chance to talk about situations and ways to respond	Nope	Connections and resources that were provided	Creamer ☐	Book clubs	Historical Grant options
11/3/2023 14:04:03	Misinformation session					
11/3/2023 14:04:26	Chance to talk about situations and ways to respond				Creating an online presence	
11/3/2023 14:05:00	Chance to talk about situations and ways to respond	Negative	Discussing difficult situations with our colleagues	LEO update (I'll do this!)	Anything	Not sure
11/3/2023 14:05:06	Umatilla Co Health Dept presentation	No			First Aid	
11/3/2023 14:05:19	Chance to talk about situations and ways to respond					
11/3/2023 14:05:32	Chance to talk about situations and ways to respond	None	People are very uncomfortable speaking about racism and what we need to do.	Adult events	Outreach to people who don't know about library	Not sure
11/3/2023 14:05:35	Misinformation session	Nope	I liked Cessily's part and also the part about people with disabilities	Not sure	Tech?	A request for reconsideration form libraries could have?
11/3/2023 14:06:08	Chance to talk about situations and ways to respond	No	Being more aware of inner stereotypes. Also, the narcan training and all resources available through umatilla county health		Teen programming	
11/3/2023 14:06:24	Misinformation session		The importance of hearing different perspectives and listening to everyone's experiences. I really appreciate having the opportunity to have these "difficult" discussions, I think it's very important for librarians.		Partnering with schools.	

UCSLD Fall 2023 In-Service Evaluation Responses

<u>Timestamp</u>	<u>Which part of the In-Service was most useful to you and your work?</u>	<u>Was there anything about the In-Service you would like the committee to discontinue?</u>	<u>What is your biggest takeaway from today?</u>	<u>Is there anything you'd like the committee to do in the Spring that didn't happen today?</u>	<u>Please give the committee at least one topic you'd like to have training on, for you or your staff, at a future in-service.</u>	<u>Final Question! What is a challenge you'd like the "Innovation for Challenges" committee to tackle in the next 6 months?</u>
11/3/2023 14:06:43	Library Directors sharing out on their past learning		The importance of differing view points		Accessing information for different language speakers.	Involvement of all ages
11/3/2023 14:07:03	Chance to talk about situations and ways to respond	No	Enjoy the people from all of the libraries	No	Not sure. There is always valuable information	Address struggles around our communities that become challenging for libraries to deal with.
11/3/2023 14:08:54	Chance to talk about situations and ways to respond	no	Conversations about race and everyone's perspectives	Something related to mental health resources	Reaching out to youth who may feel isolated due to being part of the LGBTQ+ community	
11/3/2023 14:09:13	Misinformation session	No	I don't know	Not that I can think of	Grant writing	I don't know.
11/3/2023 14:09:22	Library Directors sharing out on their past learning	No	I'm fortunate to have a community that doesn't bring conflict to the library but am more aware of the struggles of other Directors.	Summer ideas	Patron card/marketing to get more patrons	Clearing old files/patrons for accuracy in stat reports
11/3/2023 14:10:09	Library Directors sharing out on their past learning	Nothing	Sharing. & UC Health			
11/3/2023 14:10:13	Misinformation session	Paint activity, I LOVE QR Codes	Be open minded and willing to listen.	Painting	Stuggles.. sharing struggles	Money :-) lol... not sure
11/3/2023 14:10:27	Library Directors sharing out on their past learning	None u think everything has been helpful.	Information on OLA VISITS.	Unknown	Ways to create outreach Is always nice.	I like listening to others and getting ideas from others.
11/3/2023 14:10:41	Chance to talk about situations and ways to respond	Can't think of anything	I enjoyed the small group discussions	Making connections with the school	Grant writing	Gaining volunteers
11/3/2023 15:16:27	Chance to talk about situations and ways to respond	No as always i enjoy these opportunities to collaborate.	I love the portion of difficult conversations. I disagree about this issue being a decisive issue, I think growth happens when we put ourselves in uncomfortable situations. We serve diverse communities and even if the issue isn't a topic thats relevant in rural town Oregon, it might be in the near future.	More information on upcoming professional development opportunities or good reads about tough subjects. Painting too	How to make a library more diverse.	Adequately Serving Vulnerable Populations
