

Annual Library Service Plan – FY2022-2023

Ukiah Library

Library Vision for the Future:

Our goal for the future is to continue to provide great service to our patrons and to make sure the items they need are available for them.

1. Goal:

We're looking to get better internet at the school so we are trying to get newer laptops to keep up with the improved internet.

What community needs are you addressing:

This will provide the community with proper tools for their internet searching and hopefully draw people in and help with our professional development.

Priority(ies):

Acquire funding through grants.

FY2022-2023 – Year 1 activities

Get grants for funding

FY2023-2024 – Year 2

Make sure the community is aware of the opportunities in the library

FY2024-2025 – Year 3 and beyond activities

Maintain the program and proper maintenance of the new equipment.

2. Goal:

Finding a way to interact with the local community more and provide services that are invaluable to the patrons.

What community needs are you addressing:

Providing a place for people to use the internet to provide rural community access to the internet for jobs and learning skills.

Priority(ies):

Having the proper tools for people to use in the library for their professional needs.

FY2022-2023 - Year 1 activities

In the next year we will be getting high speed internet at the school. We're hoping that it will bring in the people from the community that need help with finding jobs or help with state services.

FY2023-2024 - Year 2

We will be looking to expand our library soon..

FY2024-2025 - Year 3 and beyond activities

Continued outreach to the community for our services and we are looking to provide a drop off service to the disabled people in our area.

3. Goal:

A new building for our library

What community needs are you addressing:

Expanding the size and the location of the library will make it more accessible to community people and have more space for a technology center for our patrons.

Priority(ies):

Getting funding from the state and from grants.

FY2022-2023 - Year 1 activities

Getting blueprints and working with the funding to get the project going.

FY2023-2024 - Year 2

Finish the building and hopefully have a grand opening event for the school and community.

FY2024-2025 - Year 3 and beyond activities

By this point we are hoping that everything will be completed and that we will have a great new, more open facility for our patrons to enjoy.
