

Annual Library Service Plan – FY2021-2022

Stanfield Public Library

Library Vision for the Future: Our library would like to be known for being user friendly, always looking for new and better ways of serving our community, help give everyone access to books and information.

1. Goal: COMMUNITY RELATIONS

What community needs are you addressing: Covid has been a huge struggle for many and has closed people off from each other. We are seeing a huge need in children of all ages socially. I have noticed in our community alone that preschool aged and teens are more closed off and are struggling more with in person communication. It is vital for us bring programming and services that give face to face interaction to help curb the effects of the pandemic.

Priority(ies):

FY2021-2022 - Year 1 activities: This year our library will be open our regular hours and strive to bring in regular programming that encourages social interaction. We will continue preschool story time, bring back youth craft day and get our book club going again on a regular basis. We will continue to look for new ideas to help bring services to our community.

FY2022-2023 - Year 2: Continue outreach in the community and find new and better ways to serve our community.

FY2023-2024 - Year 3 and beyond activities: Continue with community outreach, but make sure to change as community needs change.

2. Goal: Adult Programming: Like goal #1 this goal also falls under community relations.

What community needs are you addressing: We will focus on building community connections, not just for the library, but also for our adult patrons. Over the past years the pandemic has taken to many of the activities that people enjoy away, we hope to bring them back and be leaders in moving forward. We will bring back our adult book club and regular craft nights for adults.

Priority(ies):

FY2021-2022 - Year 1 activities: Open regular hours and advertise that we are here. Bring back our book club and adult craft nights.

FY2022-2023 - Year 2: Evaluate what is working for adults and adjust what we are doing to help serve our adults.

FY2023-2024 - Year 3 and beyond activities: Continue what programs are working and adjust what is not.

3. Goal: Welcoming/User Friendly Atmosphere:

What community needs are you addressing: Everyone in community should have a user Friendly place to visit, get information and have access to books. We believe that library is the perfect place for that that.

Priority(ies):

FY2021-2022 - Year 1 activities: Weed what is not being used to help create a more user friendly experience. Paint and install new flooring that will give the library a fresh look.

FY2022-2023 - Year 2: Continue updating bookshelves and furniture and finding better ways to use the current space.

FY2023-2024 - Year 3 and beyond activities: Not Sure
